

# Public & Private- Activities Guide

## 1. Does the student know Public and Private locations?

- Ask the student to look at each visual and match them under the word “public” and “private”.
  - The first time that you do this, you may need to explain each one. Eg. “At the park, there are other people, this is a public place”
- Next, outline the public and private places within your house.

## 2. Does the student know Public and Private Behaviours?

- Ask the student to look at each visual and match them under the word “public” and “private”.
  - The first time that you do this, you may need to explain each one. Eg. “It is okay if people see me eating my lunch, it is a public behaviour”
